

## 42<sup>nd</sup> Chinna Shodhayatra Impression

Dear Yatris As an engineering student  
My College Thinks that they  
provide Communication skills , but in  
ground Reality I learned Nothing  
So I make Myself Zero , at the Beginning  
of the Yatra and no objective, no  
expectations ,

But whatever I learned is ok ,then I  
started the My walk with Co Yatris And  
had very Good interaction with  
Srikanth,Subash Anna

1.At ZPHS school we effectively  
conducted the meeting and organising

presentation and the Girl Idea is like very Different, impressed everyone

2.This I used to take initiative of Serving Tea ,and Food to the Yatris during Lunch times after Post lunch started

Interaction with Yatris listening their Experience,And Very nice Experience with Story Time about innovators

Anjireddysir, And Subash Anna shared the Innovater stories and **especially each Time Silent Night walk is very Impactive here the real experience i will take as a learning and witness , because a Completely Unknown Yatris are forming into twos and started walking and Villagers are also very Positive in Receiving into their villagers ,when we**

**are silent walk the villagers (one of the Four Gurus)**are interested to Know about our Chinna shodha Yatra But one of our volunteers given Magazines and our brochure to them,

And Finally This time I missed Brigadier Sir a lot ,But Three Days a Hands on experience from the Four Gurus

**.I can say myself as when I'm walking in the Yatra**

ओ मोहन कॉलेज में नहीं सीखने के लिए कुछ नहीं हुआ, लेकिन आपने तीन दिनों की खोज को सीखा और अनुभव किया, मेरे दोस्तों को अगले सेमेस्टर के लिए साझा करने के लिए पर्याप्त है।

**Hope My semester exams may not  
come at the time of Next CSY-43**

**Yours**

**Co Yatri Mohan**
